

# CLEAN UP AUSTRALIA DAY

2nd OF MARCH 2008

Proudly supported by ALCOA and the Shire of Murray

*Friends of Rivers, Peel inc. (For, Peel) Needs Your Help.*

*On the 2nd of March it is Clean up Australia Day and we need volunteers to help clean up the local waterways and foreshores.*

*In 2004,05,06 and 2007 For, Peel and our volunteers removed a large quantity of tyres plus a significant amount of assorted household and other waste from the Murray Delta and lower Serpentine Rivers. In 2007 the Murray River was covered from Pinjarra to the mouth at Coopers Mill..*

*In 2008 we need boats (all shapes and sizes). People to operate from the boats and remove rubbish from the waterways. People to walk the banks and foreshores to pick up and stack rubbish for pickup.*

*How much of your time do we need? From 8am to 12 noon  
What do you get in return? A sausage sizzle and refreshment supplied by our sponsors ALCOA and the Shire of Murray.  
The satisfaction of having made a contribution to the local environment for your benefit and others that follow.*

*Sign on at Young Road launching ramp South Yunderup from 7.45am*

*Contact Colin Elton on 95377809 to register your interest and involvement.*
